Twelve-year-old Willa and her twin brothers have survived with their father in the Alaskan wilderness for five years. But Willa knows this can't go on--they must escape. Since their mother died five years ago, Willa, her younger brothers, and her father have lived in the wilderness, in a log cabin they built. They survive on food they grow and animals they hunt. Every year they have struggled a little bit more to survive. Now, with winter approaching and her father becoming more reckless, Willa wonders if they will live to see spring. She also knows her father will never agree to leave. When her father goes on a hunting expedition by himself, Willa convinces her brothers that they must make the four-day journey down the Yukon River to Fort Yukon to get help. But first, they'll need to survive the treacherous trip . . . all while knowing their father is on their trail. Perfect for middle grade readers looking for adventure stories with strong female protagonists, Lucy Jane Bledsoe's Running Wild is a page-turner that hooks you from the beginning and doesn't let go. " This rich volume is a national treasure. " —Kirkus Reviews (starred review) " Captivating, informative, and inspiring...Easy to follow and hard to put down. " —School Library Journal (starred review) The inspiring autobiography of NASA mathematician Katherine Johnson, who helped launch Apollo 11. As a young girl, Katherine Johnson showed an exceptional aptitude for math. In school she quickly skipped ahead several grades and was soon studying complex equations with the support of a professor who saw great promise in her. But ability and opportunity did not always go hand in hand. As an African American and a girl growing up in an era of brutal racism and sexism, Katherine faced daily challenges. Still, she lived her life with her father ' s words in mind: " You are no better than anyone else, and nobody else is better than you. " In the early 1950s, Katherine was thrilled to join the organization that would become NASA. She worked on many of NASA ' s biggest projects including the Apollo 11 mission that landed the first men on the moon. Katherine Johnson ' s story was made famous in the bestselling book and Oscar-nominated film Hidden Figures. Now in Reaching for the Moon she tells her own story for the first time, in a lively autobiography that will inspire young readers everywhere.

When he decides to run away, a young boy packs a bag with special things that help protect him from the ogre, goblin, dragon, and other monsters that he meets on the way.

NEW YORK TIMES BESTSELLER • A magisterial portrait of Lady Bird Johnson, and a major reevaluation of the profound yet underappreciated impact the First Lady's political instincts had on LBJ ' s presidency. " [An] extensive, engaging new biography . . . in the Caro mold . . . To those who do not know [Lady Bird ' s] story, Sweig ' s book will come as a revelation. " —The New York Times " This riveting portrait gives us an important revision of a long-neglected First Lady. " —Blanche Wiesen Cook, author of Eleanor Roosevelt, Vols. 1—3 In the spring of 1964, President Lyndon B. Johnson had a decision to make. Just months after moving into the White House under the worst of circumstances—following the assassination of President John F. Kennedy—he had to decide whether to run to win the presidency in his own right. He turned to his most reliable, trusted political strategist: his wife, Lady Bird Johnson. The strategy memo she produced for him, emblematic of her own political acumen and largely overlooked by biographers, is just one revealing example of how their marriage was truly a decades-long political partnership. Perhaps the most underestimated First Lady of the twentieth century, Lady Bird Johnson was also one of the most accomplished and often her husband's secret weapon. Managing the White House in years of national upheaval, through the civil rights movement and the escalation of the Vietnam War, Lady Bird projected a sense of calm and, following the glamorous and modern Jackie Kennedy, an old-fashioned image of a First Lady. In truth, she was anything but. As the first First Lady to run the East Wing like a professional office, she took on her own policy initiatives, including the most ambitious national environmental effort since Teddy Roosevelt: Occupying the White House during the beginning of the women's liberation movement, she hosted professional women from all walks of life in the White House, including urban planning and environmental pioneers like Jane Jacobs and Barbara Ward, encouraging women everywhere to pursue their own careers, even if her own style of leadership and official role was to lead by supporting others. Where no presidential biographer has understood the full impact of Lady Bird Johnson ' s work in the White House, Julia Sweig is the first to draw substantially on Lady Bird ' s own voice in her White House diaries to place Claudia Alta "Lady Bird " Johnson center stage and to reveal a woman ahead of her time—and an accomplished politician in her own right.

An Elephant in the Garden is Simon Reade ' s new adaptation of Michael Morpurgo ' s best-selling children ' s novel, 1945, Dresden, Germany. Lizzie, her mother – and an elephant from the zoo, flee the Allied fire-bombing in the end-game of the Second World War. Escaping the Allies ' advance from the West – and also the advancing Russian armies from the East – this extraordinary trio of refugees meet: a downed RAF officer, cowering in a barn; a homeless school choir on the run and their Countess saviour, harbouring them from the Nazis; and the mechanised American cavalry, appearing over the horizon. It is Lizzie ' s story – but Marlene, the elephant, is the heroine. Plodding, obdurate, opportunistic, loadbearing, indestructible, cheering – Marlene embodies the stubbornness of the human will and how it will do everything to survive.

Hannah Frost's father is in America and her mother and brother are leaving Southampton to join him. However, Hannah is recovering from a serious illness and must rest. She expects to travel with the housekeeper, Marnie, in a few weeks' time, on a new ship called the Titanic. Then, on the day of her trip, Hannah wakes up alone!

" A fully immersive, intricately crafted story inspired by the pages of history. In Pheby, Sadeqa Johnson has created a woman whose struggle to survive and to protect the ones she loves will have readers turning the pages as fast as their fingers can fly. Simply enthralling. " —Lisa Wingate, # 1 New York Times bestselling author of Before We Were Yours Called "wholly engrossing" by New York Times bestselling author Kathleen Grissom, this harrowing story follows an enslaved woman forced to barter love and freedom while living in the most infamous slave jail in Virginia. Born on a plantation in Charles City, Virginia, Pheby Delores Brown has lived a relatively sheltered life. Shielded by her mother ' s position as the estate ' s medicine woman and cherished by the Master ' s sister, she is set apart from the others on the plantation, belonging to neither world. She ' d been promised freedom on her eighteenth birthday, but instead of the idyllic life she imagined with her true love, Essex Henry, Pheby is forced to leave the only home she has ever known. She unexpectedly finds herself thrust into the bowels of slavery at the infamous Devil ' s Half Acre, a jail in Richmond, Virginia, where the enslaved are broken, tortured, and sold every day. There, Pheby is exposed not just to her Jailer ' s cruelty but also to his contradictions. To survive, Pheby will have to outwit him, and she soon faces the ultimate sacrifice.
