The EZ Zip Blocker is a vertical shade that connects to your awning providing shade and sun protection all day long. It blocks 85% of the sun's light without blocking your view! It features a unique, two-piece zippered design that works with powered awnings as well as manual awnings. Just zip/unzip to install or teardown in less than a minute!

RV Awnings, Patio Awnings & More - Carefree of Colorado

With a measuring tape, measure the height and width of a tear or hole. Add 2-inches more to the numbers you have obtained above. Cut your patching material by using fabric scissors or a knife. You can stitch or use an adhesive glue (waterproof), like in the 3rd step, to stick your mending material to your awning.
