Get fit like 50 Cent: The phenomenally fit superstar rapper reveals his strategic six-week workout plan for achieving a ripped body—and developing the mental toughness to stay in shape for a lifetime. Survival is a recurring theme of 50 Cent's lyrics, and his life. That's why, with obesity rates soaring and fitness levels declining, he wants to give everyone an all-access pass to his premium plan for lifelong fitness. In *Formula 50*, the mega-successful entertainer and entrepreneur unleashes the power of metabolic resistance training (MRT), the key ingredient that has helped him achieve the famously buff physique that makes his music videos sizzle. Through MRT, 50 Cent's fitness plan breaks down the barriers between traditional weight training and cardio workouts, accelerating fat loss while building muscle and improving overall fitness. Designed for a six-week rollout for total mind-body transformation, the *Formula 50* regimen builds willpower while it builds physical power. In addition to motivation, nutrition is another key element; readers will discover the unique dietary combinations that fuel 50 Cent's workouts. Coauthored with Jeff O'Connell, health journalist and editor-in-chief at Bodybuilding.com (the world's largest fitness website), the book delivers a payoff that goes beyond six-pack abs and flab-free pecs: This is a fitness plan that boosts energy, endurance, flexibility, and mobility. The result is a body you've always dreamed of—and the mindset to attain the rest of your dreams.

Have you looked around at the world and felt as though everything was falling apart? America is struggling economically and no one has any answers. Unemployment has been over 9% for over two years now. It feels like the government is trying to take control of our lives. There is speculation that Greece might collapse economically, and, if they do, other European countries will follow suit. The Middle East is in total chaos and very unstable, with all these people rioting in the streets and wreaking havoc on their respective countries, along with dictators falling and rising from power. Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities. As Christians, our hope is in Jesus Christ; we know that our God is sovereign, so all the chaos in the world has no effect on how God brings the world to an end. But the end is in sight, and people are looking for something certain in this world. There are so many questions Christians have regarding End Times Prophecy and do not understand, simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints. *The Complete Layman's Guide to End Times Prophecy* will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom. This book is clear, concise, and cogent in its message and attempts to address all End Times Prophecy questions.
