Shah Rukh Khan has reached a level of hero worship attained by few actors in history. The biggest Bollywood star in the world, he is adored by millions of cinema-goers in India and all over the globe. Every film he graces is a surefire smash, every product he endorses is a bestseller, and there are so many shrines to him across India that he could launch a new religion. And hes almost as popular overseas: the 2002 historical romance Devdas took in twice as much abroad as in India. In fact, with Bollywoods global audience running to 3.6 billion against Hollywoods 2.6

billion, Khan is in terms of recognition the worlds biggest movie star. This lavish, large-format book is the ultimate look at his life, career and philosophy.

Here is the astonishing true story of Bollywood, a sweeping portrait about a country finding its identity, a movie industry that changed the face of India, and one man's struggle to become a star. Shah Rukh Khan's larger than life tale takes us through the colorful and idiosyncratic Bollywood movie industry, where fantastic dreams and outrageous obsessions share

the spotlight with extortion, murder, and corruption. Shah Rukh Khan broke into this \$1.5 billion business despite the fact that it has always been controlled by a handful of legendary film families and sometimes funded by black market money. As a Muslim in a Hindu majority nation, exulting in classic Indian cultural values, Shah Rukh Khan has come to embody the aspirations and contradictions of a complicated culture tumbling headlong into American style capitalism. His story is the mirror to view the greater Indian story and the underbelly of the culture of

Bollywood. "A bounty for cinema lovers everywhere."

"King of Bollywood is the all-singing, all-dancing back stage pass to Bollywood. Anupama Chopra chronicles the political and cultural story of India with finesse and insight, through fly-on-wall access to one of its biggest, most charming and charismatic stars." -- Gurinder Chadha, director of Bend it Like Beckham "The "Easy Rider Raging Bull" of the Bollywood industry and essential reading for any Shah Rukh Khan fan." --Emma Thompson, actress "Anu Chopra infuses the pivotal

moments of Shah Rukh Khan's life with an edge-of-your-seat tension worthy of the best Bollywood blockbusters." --Kirkus

This book is the best window into Shah Rukh Khan's inner world and soul. Mushtaq, being a friend of the family, is the best artist for this family portrait portrayal. If Shah Rukh Khan has been known for his non-stop talk then writer Mushtaq Sheikh too doesn't appear far behind when it comes to translating his thoughts into words. He writes, and writes and then further writes about Shah Rukh, something that makes

File Type PDF Shahrukh Khan Still Reading Khan

one feel that more than a friend and a colleague, Mushtaq looks at Shah Rukh as a hero. Someone who is not just his hero but also an entire country's - correction, entire world's hero! It is this very 'fan factor' that makes 'Shah Rukh Can' a read that seems to be coming straight from an admirer's heart. What makes this book special is that a lot of the material (words and pictures) is stuff that we haven't seen before. There are some things even Google's search algorithms cannot find. But Mushtaq Shiekh can. From a book that claims to talk about 'The Life and Times of

File Type PDF Shahrukh Khan Still Reading Khan

Shah Rukh Khan', the least you expect is some trivia from the actor's life, both personal and professional, about which not much has been written about in the past. The kind which makes you wonder if something like that had really happened in the actor's life.

Thankfully, Mushtaq extracts quite some trivia out of the actor's life. So you get to know how Shah Rukh was offered the role of Anil Kapoor's car driver in 1942 - A Love Story, which he rejected (of course!).

Eventually Raghuvir Yadav did that role. Or how Shah Rukh completely surrendered to the director's vision and

File Type PDF Shahrukh Khan Still Reading Khan

withdrew himself when he couldn't follow the trajectory of Subhash Ghai's *Pardes*. It's a different matter though that Shah Rukh was appreciated for his performance in the film but so was he in *Karan Arjun* too, which by the way he dared not watch over the years because he didn't connect with the role. There are number of such little instances that make 'Shah Rukh Can' an interesting read. But is it just about the actor and the trivia around his life? Not at all. One of the unexplored facets of Shah Rukh that is covered in the book in extensive detail is his views around

acting v/s performances.
