From the #1 New York Times bestselling author of *Me Before You*, the basis for the major motion picture, comes a breathtaking drama of two women whose lives entwine through a lovely English seaside house. For Lottie Swift, Arcadia has always been magical. The breathtaking art deco house perched above the shoreline of the well-ordered village of Merham seems to stand still throughout the years. It has never changed, not really, but Lottie's fate and fortune have been inextricably linked with that of the beautiful house, and it will forever be fixed in her mind as a symbol of adventure, youth, and of loves lost and gained. Even as her life—and the house—fall into disrepair. Years later another young woman comes to Merham. A designer hired to make over the now-empty Arcadia, Daisy Parsons seeks a new beginning, as Lottie once did. Fleeing a broken relationship and now facing being a single mother, Daisy finds refuge in the house, and something more—a love she thought she would never know again and a friendship unlike any she 's experienced before.

As desires clash and intertwine, lives and loves are demolished - and the Spanish House becomes a true folly indeed.

Look out for Jojo's new book, *Paris for One and Other Stories*, available now. From the New York Times bestselling author of *Me Before You* and *One Plus One*, in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change Liza McCullen will never fully escape her past. But the unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves—if not for herself, then for her young daughter, Hannah. That is, until Mike Dormer arrives as a guest in her aunt's hotel. The mild-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love—never deserve to love—again. For his part, Mike Dormer is expecting just another business deal—an easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn't quite know what to make of the eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike's and Liza's worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes's signature humor and generosity.
