An introduction to St. Francis's life and his most profound teachings of faith St. Francis of Assisi is one of the most venerated Christian figures, and his profound teachings, deep love of nature, and commitment to simplicity have resonated with generations of followers. St. Francis of Assisi, the latest title in the Essential Wisdom Library, offers a simple and universal introduction to Francis's life, his key teachings, and the spiritual practices that enriched his faith and the lives of those who follow his legacy. Author Jon M. Sweeney, one of the most popular Francis interpreters, introduces the iconic Christian as a man of his time and as one whose wisdom transcends eras. Beginning with a timeline of the saint's life, St. Francis of Assisi includes the teachings that made Francis such a unique and powerful figure. His words apply to a diverse set of situations—from advice for people in positions of power, to teachings on gratitude, and the Rule of Life which governed every facet of life for Franciscans. The book concludes with explanations of some of his most powerful practices, which can offer wisdom and insight for our own lives. St. Francis emphasized the importance of living a simple, truthful life, making his spiritual practices just as impactful and relevant in the modern day as they were centuries ago. St. Francis of Assisi is the perfect guide for anyone looking to learn more about the saint or hoping to incorporate his wisdom into their own spiritual lives.

All Christians know his name. Few truly know the man. Francis of Assisi was not even five feet tall. He was not well educated. And yet he is the one saint commonly recognized as Alter Christus, the "other Christ." Francis is not just any saint—he's a saint for everyone, whatever your place or position in life. But do we really know him? Who was this man at his core? What was it that thrust this little man from a little town to the heights of sanctity, into a place of high honor among the celestial court? In this riveting biography, author Bret Thoman accomplishes what few biographers have. He pierces the inner life of Francis, revealing his deepest passions, his unquenchable love for poverty, and his unshakable grip on the core of the Gospel. The life of Francis, so often festooned with spectacle and miracle, is in reality the story of a soul yearning for God in every moment and glimpsing His presence in all creation. If you want to see the hidden life of the greatest saint, if you want to hear his thoughts, if you want to feel the fervor that blazed within his soul, you must read St. Francis of Assisi: Passion, Poverty, and the Man who Transformed the Catholic Church.

Through the examination of the concept of freedom in the writings of St Francis de Sales the author concludes that, in contradistinction to a contemporary understanding of freedom perceived as self-determination, a Salesian understanding privileges freedom's relationship to 'the good'. This situates St Francis de Sales in the classical Thomistic tradition of freedom's necessary relationship to the good, but involves a methodological shift as he employs the Renaissance starting point of 'the turn to the subject'. This study demonstrates how St Francis arrives inductively at what St Thomas demonstrated deductively, namely, the essential relationship of freedom to the good. Along with this Thomistic

Where To Download St Francis Of Isi A Biography Omer Englebort

influence, the author analyses the Salesian indebtedness to Augustinian anthropology which explains the primacy St Francis gives to the will, and consequently, to love. Love, understood as the heart's movement towards the good, allows the Salesian approach to move beyond the confines of a traditional faculty psychology to embrace a more biblical understanding of the human person. This examination of love's relationship to freedom reveals their teleological and archaeological natures, coming back to our origins wherein we discover the source of our freedom bestowed on us as a gift from God.

Book one of this monumental series presents new translations of texts about Francis in the early Franciscan tradition, some available in English for the first time.

Traces the life of St. Francis and relates how the pervasive faith of medieval times influenced his devotion to God and the religious life. Reprint.

What is compassion? How does it emerge in the human heart? What moves us to act with compassion, and how can it become a way of life? How can we let go of our fears to love more deeply? These are some of the thought-provoking questions Franciscan scholar Ilia Delio explores in this inspiring new work. Through the lens of St. Francis of Assisi who was transformed into the image of Christ, Delio looks at what keeps us apart and together simultaneously as human beings, why we fear being related to another person, how we can overcome and cope with a culture that is becoming increasingly fragmented, and how we can deepen our consciousness to become one in mind and heart with others and in Christ.

Saint Francis of Assisi is one of the most beloved saints. His commitment to God's will, his yearning to embrace poverty, and his attentiveness to the Spirit's presence in his life continue to inspire Christians and non-Christians alike. The Franciscan Tradition highlights some of the most influential people in Franciscan history. Using the writings of men and women from the First, Second, and Third Orders, this volume shows the breadth and depth of the Franciscan way of life. Presented here are saints and martyrs, contemplatives and preachers, theologians and reformers. They heeded God's call, found hope in Francis' mission, and now provide wisdom for those who seek to follow God. Regis J. Armstrong, OFM Cap, is a world-renowned expert on Saint Francis of Assisi and Saint Clare of Assisi. In addition to translating and editing Francis and Clare: The Complete Works and three editions of Clare of Assisi: Early Documents, he was editor-in-chief of the four-volume Francis of Assisi: Early Documents and has written St. Francis of Assisi: Writings for a Gospel Life, True Joy. Armstrong is The John C. and Gertrude P. Hubbard Professor of Religious Studies at the Catholic University of America. Ingrid J. Peterson, OSF, is an adjunct faculty member of the Franciscan Institute, Saint Bonaventure University, and has been an English professor at the College of Saint Teresa and Quincy University. She is a Sister of Saint Francis from Rochester, Minnesota. Peterson is the author of Clare of Assisi: A Biographical Study and coauthor of Praying With Clare of Assisi. In 2000 the Franciscan Institute awarded her the Franciscan medal for Outstanding Contribution to Scholarship in Franciscan Studies. She is the first woman to receive this honor.

A new introduction by Madeleine L'Engle highlights this inspirational volume, which combines the story of St. Francis of Assisi and his adoption of a life of poverty and humility, with accounts of miracles attributed to the saint. Reprint. 17,500 first printing.
