The Waves mission is to connect with great people so that together, we create great neighbourhood coffee houses shop Edmonton, Burnaby, Calgary that enrich the lives of everyone we meet.

Everyone knows the basic golden rule of investing: "Buy Low, Sell High," but how many of us ever really understand the stock market, how to recognize the "next big thing," and how to capitalize off of it once you do? ...the truth is not many or we'd all be millionaires. It seems like early investors in big companies like Facebook and Google had to have won the lottery of investing and just gotten really lucky, but there's more to it than that. There's a science to the "Next Big Thing" strategy, and Mark Tier understands it. In *How to Spot the Next Starbucks, Whole Foods, Walmart, or McDonald's BEFORE Its Shares Explode*, Tier shows readers that explosive brands like Starbucks, Whole Foods, McDonald's, and Walmart didn't become successful on accident. Through in-depth and accessible case studies, Tier pulls back the curtain on the early Key Performance Indicators that each of these major companies showed even at their earliest stages. Once you learn how to recognize these makings of success, you too will be able to spot the next Starbucks.

Leonard Sweet shows you how the passion that Starbucks® has for creating an irresistible experience can connect you with God's stirring introduction to the experience of faith in *The Gospel According to Starbucks*. You don't stand in line at Starbucks® just to buy a cup of coffee. You stop for the experience surrounding the cup of coffee. Too many of us line up for God out of duty or guilt. We completely miss the warmth and richness of the experience of living with God. If we'd learn to see what God is doing on earth, we could participate fully in the irresistible life that he offers. You can learn to pay attention like never before, to identify where God is already in business right in your neighborhood. The doors are open and the coffee is brewing. God is serving the refreshing antidote to the unsatisfying, arms-length spiritual life-and he won't even make you stand in line.

The ultimate barista manual for all developing coffee professionals and businesses. Here Steven presents coffee by using some of the latest computer software. Including everything from where coffee comes

from to latte art the knowledge within will give you the ammunition to get that job, build your skills and make you the barista you aspire to be. What makes a good coffee? Unfortunately, there are multiple answers to that question. But anyone can learn to be the best barista on the block. Making coffee can look like a complicated process but when it is broken down, it's easy. But like a chain, it only takes one link to break down for the final product to be compromised. This book goes through everything from the bean to the final beverage in a simple and visual way that hasn't been done before. In addition to the content in this book, you will gain access to extra printable charts and guides for you to keep and implement in your workplace. This includes a breakdown of over 60 espresso beverages, barista assessments and guide sheets. If you're a barista hoping to begin, improve or refine your skills, then this is the book for you. If you're a business hoping to achieve the same for yourself and/or your staff, this is the book for you. Inside is also access to free downloadable charts and guides which can be used however the reader wishes. If you're looking for the tools to stay ahead and be a coffee ninja, this book is for you.

“Build a better brew by mastering 10 manual methods, from French Press to Chemex, with this comprehensive guide.” –Imbibe Magazine Named a top food & drink book of 2017 by Food Network, Wired, Sprudge, and Booklist This comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee—not espresso—and explores multiple pour-over, immersion, and cold-brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that, at times, doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, provides all the information readers need to discover what they like in a cup of specialty coffee—and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home. “Engaging and fun . . . I really can't recommend *Craft Coffee: A Manual* enough. If you're even mildly curious about brewing coffee at home, it's absolutely worth a read.” –BuzzFeed

The definitive history of the world's most popular drug *Uncommon Grounds* tells the story of coffee from its discovery on a hill in ancient Abyssinia to the advent of Starbucks. Mark Pendergrast reviews the dramatic changes in coffee culture over the past decade, from the

Read Online Starbucks Barista Training Manual

disastrous "Coffee Crisis" that caused global prices to plummet to the rise of the Fair Trade movement and the "third-wave" of quality-obsessed coffee connoisseurs. As the scope of coffee culture continues to expand, Uncommon Grounds remains more than ever a brilliantly entertaining guide to the currents of one of the world's favorite beverages.

Get the skinny on your morning joe Do you swear by your morning jolt of caffeine but are hard-pressed to tell a siphon from a slow dripper? No problem: just order a fresh copy of Coffee For Dummies for a smooth blend of fun facts and practical advice to give an extra shot of flavor to your appreciation of the second-most valuable commodity on planet Earth—and filter out all that excess grind in your knowledge. This warm and welcoming serving from passionate coffee guru Major Cohen—a Specialty Coffee Association certified instructor, and now retired highly respected former Starbucks coffee educator and program manager—takes you on a rocket-fueled journey from the origins of the liquid bean's popularity to best ways to prepare and enjoy coffee in your own home. You'll learn how to evaluate the advantages of different coffee styles and makers, and how even the smallest detail—varietal, roast type, texture—can influence how good that cupped lightning tastes on your tongue. Evaluate different roasts or brews Navigate menus for the best deals Learn how to speak "coffee" and order your half-cap-low-fat-no-sugar-add-whip with confidence Save money with the best store apps Meet some of the unknown pioneers of coffee that have made our coffee world of today See how you might think bigger about your coffee spend changing the world The average American spends over \$1000 on their daily brain juice every year: why not hire Coffee For Dummies as your personal barista and get more for your money—and from each invigorating sip.

In this #1 New York Times bestseller, the CEO of Starbucks recounts the story and leadership lessons behind the global coffee company's comeback and continued success. In 2008, Howard Schultz decided to return as the CEO of Starbucks to help restore its financial health and bring the company back to its core values. In Onward, he shares this remarkable story, revealing how, during one of the most tumultuous economic periods in American history, Starbucks again achieved profitability and sustainability without sacrificing humanity. Offering you a snapshot of the recession that left no company unscathed, the book shows in riveting detail how one company struggled and recreated itself in the midst of it all. In addition, you'll get an inside look into Schultz's central leadership philosophy: It's not about winning, it's about the right way to win. Onward is a compelling, candid narrative documenting the maturing of a brand as well as a businessman. Ultimately, Schultz gives you a sense of hope that, no matter how tough times get, the future can be more successful than the past.

For fans of Sorry to Bother You and The Wolf of Wall Street comes a

blazing, satirical debut novel about a young man given a shot at stardom as the lone black salesman at a mysterious, cult-like, and wildly successful startup where nothing is as it seems.

Hello, I am your customer. Do you see the world like I do? It's simple really. Start with me and everything else follows. Together we can do extraordinary things. Are you ready? 10 building blocks, 30 practical tools, 50 inspirational stories. From Amazon to Banyan Tree, Quintessentially to Zipcars, explore 50 of the world's leading customer businesses. The rise of Air Asia, and the collaboration of Boeing; the segmented focus of Club Med, and the customer vision of Disney; the imagination of Camper, and the desire for the Nintendo Wii; the realism of Dove, and the tribal loyalty of Harley Davidson. The 'genius' of a customer-centric business is that it works from the outside in. It attracts, serves and retains the best customers as its route to profitability and growth. Isn't it about time you started doing business from the outside in?

There's nothing like a good cup of coffee in the morning, right? Most people simply buy their espresso, latte, or macchiato from their local coffee shop and be done with it. To others, however, their morning cup of coffee is more than just a swipe of a credit card and a quick energy boost—it's an art form. With this book, world-renowned latte artist and barista Hiroshi Sawada offers step-by-step instructions on how to make more than fifty delicious coffee drinks. Including recipes for some of the popular drinks in this world—lattes, americanos, cappuccinos, espressos, mochas—and world-class tips from Sawada himself, this coffee compendium is the premier guide for aspiring baristas and amateur home brewers alike. These invaluable skills can be applied either at home or in a professional setting—helping even the most seasoned barista hone their craft. In addition to the recipes, learn the intricacies of the pour, about the different varieties of beans and how to store them, and all the crucial elements necessary to make the perfect cup.
