~~Stephen Arroyo's Chart Interpretation Handbook: Guidelines ...~~

A branch of astrology based on the concept of reincarnations-cycles. Karma is seen as the universal law of cause and effect, in which it is supposed to exist some kind of morality. Karmic Astrology believes that the horoscope can help us recognise the effects of past actions in the present life and how our present karma may affect future lives.

The karmic ideal as understood through astrology, discussing karmic relationships by analyzing synastry and progressions, with a special chapter on Ascendant and Midheaven axes. Not just a cookbook of chart interpretation, Arroyo challenges

readers to see the birthchart as a tool to guide their lives.

A modern classic and international best-seller that revolutionized modern understanding of astrology, this book is truly a pioneering work that established a new science of astrological psychology. It clearly presents a language of energy that enables astrology to be reliably used by those in the helping professions as well as by the general public. As Library Journal stated, "Transcending the boundaries of separate disciplines, this work represents a major distillation of astrological principles."

Thousands of readers worldwide have found personal meaning in Arroyo's bestselling books. Here, he shows how to develop reliable, in-depth

interpretations for any birth chart.

In this eBook original, numerous practical as well as philosophical issues are explored. In an in-depth, wide-ranging interview appearing in book form for the first time, Stephen Arroyo answers questions about his early years in astrology, how he came to write some of his classic works, and his views on various central issues in astrology ' s current practice and potential future development. In another chapter, he provides concise new observations and guidelines that provide more insightful ways of understanding many factors in both individual birth charts and chart comparisons. In the other sections of this book, he discusses what astrology

And Transformation can contribute to psychology, how to understand the Ascendant, and possible explanations of transits ' powerful effects. And importantly, this is the only book currently available that describes and explores his unique theory of " subtone " as an incisive, psychologically revealing method of achieving greater depth in understanding any birth chart. In short, utilizing " subtone " is a method of synthesizing the major chart factors in any person ' s chart in a simple, quick way that people at any level of astrological knowledge can easily learn and reliably use.

This book is the very essence of Jupiter. From its apt title, to its generous use of many famous chart examples, to Arroyo's trademark insight and wisdom on every page, "Exploring Jupiter" is positively a winner! The presentation of the astrology is clear, practical and intelligent, making it a must for both newer students and more experienced practising astrologers. Unlike the majority of modern astrologers, Arroyo refers to Jupiter's ancient rulership of Pisces as being significant, and the book is written

with this in mind. Otherwise much of the book is built on the usual "cookbook" approach: Jupiter through the signs, Jupiter through the houses (arranged by element), Jupiter aspects in the birth chart and so on. As always with Stephen Arroyo, it is the clarity and profound depth of these guidelines for interpretation that is so striking. The chapter on transits involving Jupiter is particularly good, building on ideas he has expressed in earlier writings.
