The Suzuki Baleno looks like great value for money, with low prices, generous equipment levels and lots of space. Granted, it's not the best car of its type to drive, nor is it the nicest to sit in, but for many buyers, the rational merits will overpower the emotional shortcomings.

Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.

A story that proves that Indians when empowered can change the course of history The targets were stupendous and almost unachievable. Slightly over two years to find a suitable partner, finalize all legal documentation, build a factory, create a sales and service network and develop and launch a people's car that would sell 100,000 a year, in a sector where Indian expertise was limited.

Overall fuel economy trends have prompted some energy conservationists and environmentalists to call for increasing the Corp. Avg. Fuel Economy (CAFE) standards. Those supporting an increase in the standards often cite energy security and environmental benefits that would result from improved fuel economy. Those opposed to raising the standards often cite decreased auto safety, which they contend could result from producing smaller, more fuel-efficient vehicles. This report has reviewed studies and interviewed experts to identify: the impact of increasing CAFE standards on oil consumption, the environ., and auto safety in the U.S.; and other issues that affect the CAFE.

Drawing on a wealth of knowledge and experience and a background of more than 1,000 magazine articles on the subject, engine control expert Jeff Hartman explains everything from the basics of engine management to the building of complicated project cars. Hartman has substantially updated the material from his 1993 MBI book Fuel Injection (0-879387-43-2) to address the incredible developments in automotive fuel injection technology from the past decade, including the multitude of import cars that are the subject of so much hot rodding today. Hartman's text is extremely detailed and logically arranged to help readers better understand this complex topic.
