"Swing That Music" was recorded at Armstrong's eighth Decca session, only 7 1/2 months after his first date for the label. The combination of Glaser's managing, the popularity of the Decca records and a number of radio appearances gave Armstrong's career quite a boost in 1936.

Swing That Music - Louis Armstrong

Swing music is a form of jazz that developed in the United States in the 1930s and 1940s. The name came from the emphasis on the off-beat, or weaker pulse. Swing bands usually featured soloists who would improvise on the melody over the arrangement.

Swing music - Wikipedia

Swing is sometimes considered a partial dilution of the jazz tradition because it organized musicians into larger groups (commonly 12 to 16 players) and required them to play a far higher proportion of written music than had been thought compatible with the fundamentally improvisatory character of jazz.
