It's just over a week until Sam will be Binding with Jared, and the only thing she wants is to spend that time relaxing and preparing for the ceremony. Unfortunately, she seems to be asking too much of fate, because suddenly she's lumbered with a number of distractions that have the potential to postpone, or even cancel, the Binding. There's a guarded fiancé to crack, a complicated assignment to deal with, Jared's ex to alienate, and a bunch of snobbish Master Vampires to win over - or offend, whichever. On the upside, things couldn't possibly be any worse, could they?Actually, yes they could. Due to a cruel twist of fate, something strange is happening to Sam -something that is changing her in ways she doesn't like or understand. With the help of Jared and those closest to her, she has to not only handle the threats to the Binding Ceremony, but find a way to fix what has been done to her - and fast. Warning: This book contains a stubborn and occasionally homicidal female vampire, a powerful and overprotective male vampire who refuses to lose her, and scenes of a sexual, explicit nature.

Sam Parker is a vampire with a gift so strong and substantial that she is invited to partake in a test for a place in the Grand High Master Vampire's private army. She finds that not only has the army never included a woman, but it has never included a Sventé vampire; a breed that is regarded by the super strong Pagori breed and the hypnotically beautiful Keja breed to be too tame and human-like. Most refuse to take her seriously, especially a Pagori commander named Jared who she craves in spite of herself. The Grand High Master, however, sees her potential and offers her the position of Jared's co-commander to help train the newest squad in time for the impending attack on his home. Sam has to demonstrate to Jared and the squad of chauvinists why it is incredibly foolish to underestimate a wilful, temperamental, borderline-homicidal Sventé female. Warning: This novel contains an iron-willed female vampire with an energy whip, a sexist male vampire who is determined to have her, explicit vampy sex, and a romance story with real bite.

Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty, daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem!the Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. And I do not want to be a vampire for the prom!let alone the rest of eternity...

It's been five months since vampire Sam Parker Bound herself to Jared Michaels, her powerful co-commander within the Grand High Master vampire's personal legion. Life as a Bound couple has been going just fine...until the Grand High Master announces he will be stepping down from his position and wants Sam and Jared to take his place. Oh joy. Despite Sam's reservations, she agrees to ascend. But something very powerful has surfaced; something that is quickly decreasing the vampire population and could steal the lives of people close to Sam. At the same time, she finds herself under the scrutiny of vindictive vampires accusing her of exploiting her position as a commander - something that would threaten her ascension. Under the watchful eyes of people who would love nothing more than to strip her of her title, Sam and Jared must continue to conceal her hybrid status and find a way to fight this power that nothing before them has ever been able to overcome. If not, they stand to lose not only the people they hold close, but their future as the Grand High Pair. Warning: This novel features a female vampire who is a ray of blunt, obstinate sunshine, a possessive alpha male vampire who considers her his only weakness, lots of bad words, some dirty talk, and steamy explicit sex.

Everyone always told me I was crazy, so I believed them.But I was wrong, and so were they.I'm not crazy. It's the rest of the world that's blind to the monsters living among them. I should rejoice in my sanity, right? Wrong again. Being clinically insane would be better than reality. In that scenario, the only person who's in danger is me. Stolen from my life to be sold off to the highest bidding vampire to live as a blood slave would seem like the worst of my problems. Not even close.

That is, until she turns a fatally wounded teenage acquaintance, and the Council pronounces her responsible for the newborn vamp until he can control his thirst. Jane's kitchen barely holds enough Faux Type O to satiate the cute teen's appetite and maintain Gabriel's jealous streak at a slow simmer. As if keeping her hyperactive child from sucking the blood out of the entire neighborhood isn't enough to deal with, the persnickety ghost of Jane's newly deceased grandma Ruthie has declared war on the fanged residents of River Oaks. Tensions inside the house are growing!and outside, a sinister force is aiming a stake straight for the center of Gabriel's heart.
