A book designed to interest children and give them facts and knowledge about the lives of birds.

Presented with all the original illustrations as they appeared in the initial publication. When Peter Rabbit joins in with Old Mother Nature's "classroom" chats he learns all about the animals who share the Green Meadows and Forest with him. In these lessons Peter learns about animals both big and small, from near and far, like the Hare, but also creatures like the Flying Squirrel, Grizzly Bear, Otter, Fox, Armadillo and many more. This collection of stories has thrilled generations of readers. Not only a charming introduction to the orders of animals in North America, but also a great study in how they relate to each other.

This collection of literature attempts to compile many of the classic, timeless works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Porcupines, field mice, coyotes, and other creatures take on appealing personalities in informative, entertaining tales about the inhabitants of the Green Forest and beyond. 73 illustrations.

Six storybooks presenting the best-known Burgess tales, newly reset in large, easy-to-read type — all packed in one convenient storage case. Instilling valuable lessons about animals, nature and the environment, the stories feature Peter Cottontail, Chatterer the Red Squirrel, Grandfather Frog, Reddy Fox, Happy Jack and Danny Meadow Mouse.

In his adventures in the Green Forest, Happy Jack Squirrel learns to share his hickory nuts with Chatterer the Red Squirrel and Striped Chipmunk and hide with Farmer Brown's boy to escape from Shadow the Weasel.

Join Peter Rabbit as he meets and learns about North American animals in Old Mother Nature's classroom. Discover creatures, both great and small, from Hare and Squirrel through to the Bear, the Otter, the Fox, Armadillo and so many more. No matter where you're from, the descriptive text and beautiful photographs will introduce you to North America's wonderful and diverse animal world. Since its release in 1920, the Burgess Animal Book for Children has delighted readers of all ages. This new release presents the original text, complete and unabridged, along with over 130 new color images allowing the reader to get closer to the subject than ever before. Also included are the scientific names of the animals described and as relevant page references from our color editions of The Handbook of Nature Study. Keep a lookout for the other books in the Burgess series, also full of new color images, only from Living Book Press. www.livingbookpress.com

Entertaining, instructive tales feature Peter Cottontail, Buster Bear; Grandfather Frog, Little Joe Otter, Jimmy Skunk, Billy Mink, and other Green Forest friends.

Children will love this wonderful tale of Blacky the Crow, who gets into trouble seeing things he shouldn't. Reset in large type with four original illustrations by Harrison Cady.
