The Green House Summary - eNotes.com

The Green House is a big, sprawling symbolic novel about dream and reality, the city of Piura and the Jungle and desert which embrace it, and the shabby folklore and quixotic adventures which make up its human condition. Vargas Llosa writes with uninhibited energy and an obstinate interest in all the long scheme-filled, lyrical and melodramatic doings and undoings that make up his tale.

The Green House Summary. The absence of chronology and causality endows anecdotal material with a universal quality. Hence, well-known Spanish American fictional topics are converted into themes of broader scope: the exploitation of the Indian emphasizes the inhumanity of man to man while the machismo element pervading the novel broaches the general theme of violence as a synonym for manhood.
