~~The New York Times–bestselling author’s historical saga of a family of healers—from Dark Ages London to Civil War America to modern-day Boston. In *The Physician*, an orphan in eleventh-century London, Robert Cole, becomes a fast-talking swindler. As he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but by claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. Cole’s journey and love for a woman who must struggle against her only rival—medicine—make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendent of the first Robert Cole, travels from his ravaged Scottish homeland, through the operating rooms of antebellum Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d’Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman’s right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy relevant and unforgettable.~~

~~This study of Book III of the Psalter examines evidence for the canonical organization of these seventeen psalms and finds cohesive links that create a consistent and coherent dialogue throughout. Continual laments by a righteous individual on behalf of and in concert with the nation spring from the non-fulfilment of hopes raised in Psalm 72 at the end of Book II. Divine answers give reasons for the continuing desolation but assure the eventual establishment of a kingdom without specifying its time. Book III ends as it began, asking how long God's wrath will smoulder, and in response Book IV opens with Psalm 90 contrasting human and divine perspectives on time.~~

~~The enchanting and bloodthirsty sequel to the New York Times bestselling novel *The Cruel Prince* -- now in paperback! You must be strong enough to strike and strike and strike again without tiring. The first lesson is to make yourself strong. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her younger brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.~~
