Money, beauty, power, and love -- the youngest members of the Magnolia League have it all. Some may call them lucky, but the truth is they're charmed. Armed with spells, potions, and conjures from the powerful Buzzard family, the Magnolias have bought their luck...at a price. Ensnared in the League's headquarters on Habersham street, golden girl Hayes Anderson would never dream of leaving Savannah, where there's no problem that can't be solved with a cup of Swamp Brew tea. But when danger lurks and family secrets are unearthed, Hayes learns that magic can't fix everything. Across town at an old mansion on Forsyth Park, recent California transplant Alexandria Lee is on a quest to free her mother's spirit from a hoodoo spell. As dark magic sweeps through Savannah's historic squares and misty backwaters, will Hayes and Alex have the strength to save the people they love -- and themselves? Katie Crouch's second Magnolia League novel is a beguiling story about family, friendship, and the magical ties that bind.

Told in separate voices, Alex, Haynes, and other members of Savannah's Magnolia League seek aid for their own family members from the legendary Hoodoo family, the Buzzards, in violation of an old pact, unaware that a Shadow Man is using one of them to return from the dead.

Money, beauty, power, and love -- the youngest members of the Magnolia League have it all. Some may call them lucky, but the truth is they're charmed. Armed with spells, potions, and conjures from the powerful Buzzard family, the Magnolias have bought their luck...at a price. Ensnared in the League's headquarters on Habersham street, golden girl Hayes Anderson would never dream of leaving Savannah, where there's no problem that can't be solved with a cup of Swamp Brew tea. But when danger lurks and family secrets are unearthed, Hayes learns that magic can't fix everything. Across town at an old mansion on Forsyth Park, recent California transplant Alexandria Lee is on a quest to free her mother's spirit from a hoodoo spell. As dark magic sweeps through Savannah's historic squares and misty backwaters, will Hayes and Alex have the strength to save the people they love -- and themselves? Katie Crouch's second Magnolia League novel is a beguiling story about family, friendship, and the magical ties that bind.

When her free-spirited mother dies in a tragic accident, sixteen-year-old Alexandria Lee is forced to leave her West Coast home and move in with a wealthy grandmother she's never known in Savannah, Georgia. By birth, Alex is a rightful if unwilling member of the Magnolia League-Savannah's long-standing debutante society. But white gloves and silk gowns are a far cry from the vintage t-shirts and torn jeans shorts she's used to. Alex is the first in decades to question the Magnolia League's intentions, yet even she becomes entangled in their seductive world. The members enjoy youth, beauty and power...but at what cost? As Alex discovers a pact between the Magnolias and the Buzzards, a legendary hoodoo family, she discovers secrets-some deadly-hidden beneath the glossy Southern veneer. New York Times bestselling author Katie Crouch's poignant and humorous voice shines in this enchanting and mysterious story about girls growing up in a magical Southern city.

A year after the Civil War's end, battle-scarred surgeon Dru Talbot--presumed long dead by all who loved him--returns home. Through everything he'd clung to the dream of starting life over with the bride he'd married on the very eve he left for war. Yet the truth that awaits him in Magnolia Creek is nothing like his fairy tale. Young widow Sara Collier had risen above her grief for Dru, refusing to mourn her life away. But she'd put her faith and trust in the wrong man and made one wrong choice that changed her future forever. Sara returns to Magnolia Creek an outcast, a fallen woman, the mother of a child born out of wedlock. Soon she must face the man she'd loved so desperately when she was young, innocent, and the world was hers. Can he forgive her? Can he truly still love her? Or her child? A seven-time Romance Writers of America finalist for the RITA Award, Jill Marie Landis now also writes *The Tiki Goddess Mysteries* (set on the island of Kauai, Hawaii, where she lives with her husband, actor Steve Landis).

"A smart, sparkling novel that is one part social satire, one part travelogue . . . Comical and cool." —Oprah Daily In Katie Crouch's thrilling novel *Embassy Wife*, two women abroad search for the truth about their husbands—and their country. Meet Persephone Wilder, a displaced genius posing as the wife of an American diplomat in Namibia. Persephone takes her job as a representative of her country seriously, coming up with an intricate set of rules to survive the problems she encounters: how to dress in hundred-degree weather without showing too much skin, how not to look drunk at embassy functions, and how to eat roasted oryx with grace. She also suspects her husband is not actually the ambassador's legal counsel but a secret agent in the CIA. The consummate embassy wife, she takes the newest trailing spouse, Amanda Evans, under her wing. Amanda arrives in Namibia mere weeks after giving up her Silicon Valley job so her husband, Mark, can have his family close by as he works on his Fulbright project. But once they're settled in the sub-Saharan desert, Amanda sees clearly that Mark, who lived in Namibia two decades earlier, has other reasons for returning. Back in the safety of home, the marriage had seemed solid; in the glaring heat of the Kalahari, it feels tenuous. And the situation grows even more fraught when their daughter becomes involved in an international conflict and their own government won't stand up for her. How far will Amanda go to keep her family intact? How much corruption can Persephone ignore? And what, exactly, does it mean to be an American abroad when you're not sure you understand your country anymore? Propulsive and provocative, *Embassy Wife* asks what it means to be a human in this world, even as it helps us laugh in the face of our own absurd, seemingly impossible states of affairs.

A memoir of author Frances Mayes's coming of age in the Deep South, and of the region's powerful influence on her life. Mayes delves into the power of landscape, the idea of home, and the force of a chaotic and loving family"

Meet Sarah Walters, a Camellia Society debutante with a weakness for bad ideas. Sarah's mother lectures her on etiquette but tends to get loose after a few gins. Still, Sarah tries to follow the debutante code - after all, in Charleston, manners mean everything. But it's not easy to follow the rules, particularly in the summers when she runs into boys in pickup trucks, or, later, when she moves to New York with her friends. For the Camellia girls soon learn, careers don't always go to plan and men don't always love you back: the bright future they thought was theirs dissolves into heartbreak, illness and addiction. And when a shocking event brings thirty-something Sarah

back home to Charleston, she must decide where 'home' really is.

Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's Etiquette is the most trusted resource for navigating life's every situation. From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of Etiquette. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. Emily Post's Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's Etiquette also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative *Romeo and Juliet* retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.
