Ursula K. Le Guin is the one modern science fiction author who truly needs no introduction. In the half

## Get Free The Wild Ursula K Le Guin

century since *The Left Hand of Darkness*, her works have changed not only the face but the tone and the agenda of SF, introducing themes of gender, race, socialism, and anarchism, all the while thrilling readers with trips to strange (and strangely familiar) new worlds. She is our exemplar of what fantastic literature can and should be about. Her Nebula winner *The Wild Girls*, newly revised and presented here in book form for the first time, tells of two captive “dirt children” in a society of sword and silk, whose determination to enter “that possible even when unattainable space in which there is room for justice” leads to a violent and loving end. Plus: Le Guin’s scandalous and scorching Harper’s essay, “Staying

## Get Free The Wild Ursula K Le Guin

Awake While We Read," (also collected here for the first time) which demolishes the pretensions of corporate publishing and the basic assumptions of capitalism as well. And of course our Outspoken Interview, which promises to reveal the hidden dimensions of America's best-known SF author. And delivers.

Guin's groundbreaking work of science fiction—winner of the Hugo and Nebula Awards. A lone human ambassador is sent to the icebound planet of Winter, a world without sexual prejudice, where the inhabitants' gender is fluid. His goal is to facilitate Winter's inclusion in a growing intergalactic civilization. But to do so he must bridge the gulf between his own views and those of the strange, intriguing culture he encounters... Embracing the aspects of psychology, society, and human emotion on an alien world, *The Left Hand of Darkness* stands as a landmark achievement in the annals of intellectual science fiction.

## Get Free The Wild Ursula K Le Guin

Annotation. ' ... Elizabeth Cummin's [book] is a superb literary study of the American science fiction & fantasy writer ... Unlike many other literary studies of Le Guin's works that simply print unintegrated essays, [this book] has a tight focus & flow that other literary critics would do well to study ... Very highly recommended ... --Wilson Library Bulletin.

A revised and updated guide to the essentials of a writer's craft, presented by a brilliant practitioner of the art Completely revised and rewritten to address the challenges and opportunities of the modern era, this handbook is a short, deceptively simple guide to the craft of writing. Le Guin lays out ten chapters that

## Get Free The Wild Ursula K Le Guin

address the most fundamental components of narrative, from the sound of language to sentence construction to point of view. Each chapter combines illustrative examples from the global canon with Le Guin's own witty commentary and an exercise that the writer can do solo or in a group. She also offers a comprehensive guide to working in writing groups, both actual and online. Masterly and concise, *Steering the Craft* deserves a place on every writer's shelf.
