Cake recipes - BBC Food

Cake is a form of sweet food made from flour, sugar, and other ingredients, that is usually baked. In their oldest forms, cakes were modifications of bread, but cakes now cover a wide range of preparations that can be simple or elaborate, and that share features with other desserts such as pastries, meringues, custards, and pies.. The most commonly used cake ingredients include flour, sugar ...

Egg-leavened cakes like angel food cake or genoise will rise better in a pan with ungreased sides so the cake can cling and climb up the sides of the pan. The same thing goes for gluten-free cakes, they need to hold onto the sides. Non-egg-leavened cakes are usually fine in a pan that's been thoroughly greased. Annabelle@KAF

Selecky conversation starter. This Cake Is for the Party reminds us that the best parts of our lives are often the least flashy.

Reminiscent of early Margaret Atwood, with echoes of Lisa Moore and Ali Smith, these absorbing stories are about love and longing, that touch us in a myriad of subtle and affecting ways. With more than 10,000 copies sold in Canada, where she was named the CBC Book Award's Best New Writer, Sarah Selecky proves she is an exciting new voice with a promising future.

A collection of 10 short stories by an award-nominated writer explores a common theme of the sharing of food and features women protagonists who experience the joys and pitfalls of marriage, fidelity, fertility and longing. Original. 20,000 first printing.

Selecky for the 2010 Scotiabank Giller Prize and longlisted for the 2010 Frank O'Connor Award Sarah Selecky's first book takes dead aim at a young generation of men and women who often set out with the best of intentions, only to have plans thwarted or hopes betrayed. These are stories about friendships and relationships confused by unsettling tensions bubbling beneath the surface. A woman who plans to conceive ends up in the arms of her husband's best friend; a man who babysits a neglected four-year-old ends up questioning his own dysfunctional relationship; a chance encounter at a gala event causes a woman to remember when she volunteered for a nightmarish drug-testing clinic; another woman discovers that her best friend who is about to get married has just had an affair; a young teenager tries to escape from her controlling father and finds an unexpected

lover on a bus ride home; a wife tries to overcome her dying mother-in-law's resistance to her marriage by revealing to her own strange aural stigmata; a friend tries to talk another friend out of dating her cheating ex-boyfriend; and a superstitious candle-maker confesses to a tempestuous relationship that implodes spectacularly. Sarah Selecky is a talented young writer who evokes a generation teetering on the shoals of consumerism and ambiguous mores. Reminiscent of early Atwood, with echoes of Lisa Moore and Barbara Gowdy, these absorbing stories are about love and longing, stories that touch us in a myriad of subtle and affecting ways.

A nuanced satire--both hilarious and disconcerting--that probes the blurred lines between empowerment, spirituality, and consumerism in our online lives. Lilian

Quick is 40, single, and childless, working as a pet portrait artist. She paints the colored light only she can see, but animal aura portraits are a niche market at best. She's working hard to build her brand on social media and struggling to pay the rent. Her estranged cousin has become internet-famous as "Eleven" Novak, the face of a massive feminine lifestyle empowerment brand, and when Eleven comes to town on tour, the two women reconnect. Despite twenty years of unexplained silence, Eleven offers Lilian a place at The Temple, her Manhattan office. Lilian accepts, moves to New York, and quickly enrolls in The Ascendency, Eleven's signature program: an expensive, three-month training seminar on leadership, spiritual awakening, and marketing. Eleven is going to help her cousin become her best self: confident, affluent, and self-

actualized. In just three months, Lilian's life changes drastically: She learns how to break her negative thought patterns, achieves financial solvency, grows an active and engaged online following, and builds authentic friendships. She finally feels seen for who she really is. Success! . . . But can Lilian trust everything Eleven says? This compelling, heartfelt satire asks us: How do we recognize authenticity when storytelling and magic have been co-opted by marketing?

The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her

gift and becomes aware that there are secrets even her taste buds cannot discern. The Particular Sadness of Lemon Cake is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as "a writer who makes you grateful for the very existence of language" (San Francisco Chronicle). BONUS: This edition includes an excerpt from Aimee Bender's The Color Master.

Cheery baker dreams of finding Mr. Right... When your last name is Baker, it's really only a matter of time before it also becomes your job title. Saturday create the perfect desserts to help couples celebrate their big days. But despite what they say about the way to a man's heart being through his stomach, Leanna has yet to lure her perfect man with her sweet treats. Uptight workaholic dreams of being left alone... If Brody King is going to take time off, he would much rather it be to train for his triathlon and not his brother's engagement party. It would be one thing if it was just a regular party, but no, his brother and his bride-to-be had to go over the top and plan a full week of family togetherness and ridiculous wedding games. There's no way he's going to survive it. When Brody crashes into Leanna and a hundred cupcakes are ruined, he does the only thing he can—he offers to help her make more. All it takes is a few cups of sugar and a dash of vanilla before Brody is craving not just Leanna's sweet treats, but the baker herself.
