its heart, and the myriad ways there are for it to break. I love this book. Michael Poore writes like an angel.” —Daniel Wallace, author of Big Fish John Scratch, the Devil himself, is the protagonist in this stunningly imaginative, sharp, funny, and

Get Free Up Jumps The Devil Michael Poore

tender novel, as he tricks, teases, and prods America to greatness in the hope of luring his lost love back down to Earth from Heaven. Up Pops the Devil is fiction with humor and heart, the kind of hilarious, off-beat, and original reading experience that fans of

Get Free Up Jumps The Devil Michael Poore

Chris Moore, Joe Hill, Chuck Palahniuk, and Jim Shepard would sell their souls for—a brilliant blending of the occult and the outrageous starring the anti-hero of anti-heroes, the one and only Prince of Darkness.

Get Free Up Jumps The Devil Michael Poore

A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. "Tales of gods and men akin to Neil Gaiman's Sandman as penned by a kindred spirit of Douglas Adams." —Kirkus Reviews

Get Free Up Jumps The Devil Michael Poore

(starred review) First we live. Then we die. And then . . . we get another try? Ten thousand tries, to be exact. Ten thousand lives to "get it right." Answer all the Big Questions. Achieve Wisdom. And Become One with Everything. Milo has had 9,995 chances so far and

Get Free Up Jumps The Devil Michael Poore

has just five more lives to earn a place in the cosmic soul. If he doesn't make the cut, oblivion awaits. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo's lover throughout his countless layovers

Get Free Up Jumps The Devil Michael Poore

in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he'll never have to leave her side again. But Reincarnation Blues is more than a great love story: Every journey from cradle to

Get Free Up Jumps The Devil Michael Poore

grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as

Get Free Up Jumps The Devil Michael Poore

Kurt Vonnegut's, Michael Poore's Reincarnation Blues is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it's more than Milo and Suzie's story. It's your story, too. Praise for Reincarnation Blues "The most

Get Free Up Jumps The Devil Michael Poore

fun you'll have reading about a man who has been killed by both catapult and car accident."—NPR
"This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the

Get Free Up Jumps The Devil Michael Poore

dark absurdities of life.”—Chicago Review of Books “Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun.”—New York Journal of Books

Combine the thought-provoking time travel of *When You Reach*

Get Free Up Jumps The Devil Michael Poore

Me with the humorous storytelling of Lemony Snicket, and you get a wholly original journey through time, space, and the depths of the human heart. This is a story of things that are not possible. It's not possible for Amy to see spirits. (She does.) It's not

Get Free Up Jumps The Devil Michael Poore

possible that Amy and Moo can communicate using only their minds. (They do.) It's not possible to time-travel. (Yet.) And it's definitely not possible that witches exist. (Seriously?) None of these things are possible. (Until now . . .)

Get Free Up Jumps The Devil Michael Poore

A new novel by the author of *The Loney*, which was praised by Stephen King as "an amazing piece of fiction." In the wink of an eye, as quick as a flea, The Devil he jumped from me to thee. And only when the Devil had gone, Did

Get Free Up Jumps The Devil Michael Poore

I know that he and I'd been one . . .
. Every autumn, John Pentecost returns to the farm where he grew up, to help gather the sheep down from the moors for the winter. Very little changes in the Endlands, but this year, his grandfather—the Gaffer—has died

Get Free Up Jumps The Devil Michael Poore

and John's new wife, Katherine, is accompanying him for the first time. Each year, the Gaffer would redraw the boundary lines of the village, with pen and paper but also through the remembrance of tales and timeless communal rituals, which keep the sheep safe

Get Free Up Jumps The Devil Michael Poore

from the Devil. But as the farmers of the Endlands bury the Gaffer and prepare to gather the sheep, they begin to wonder whether they've let the Devil in after all.

The most closely Guarded treasure on Earth. An explosive

Get Free Up Jumps The Devil Michael Poore

ancient secret. A breakneck journey into the heart of the Vatican. In a small, heavily fortified room just north of the Sistine Chapel, a master thief is about to strike. All he needs is an instant-to steal the most important treasure in the Vatican

Get Free Up Jumps The Devil Michael Poore

museum: two antique keys—one gold, one silver—that protect the secret of salvation.... But a surprise awaits Michael St. Pierre deep inside the Vatican, an ancient secret so explosive, it sends him running for his life—from the streets of Rome to

Get Free Up Jumps The Devil Michael Poore

a small stone church in Israel—with two stolen keys and a terrible realization: the consequences of his desperate, brazen act are far greater than he could ever have imagined. For the treasure he has uncovered—the gleaming prize buried within the

Get Free Up Jumps The Devil Michael Poore

most clandestine structure on earth—is about to bring him face-to-face with an enemy more shocking, frightening, and insidious than anyone can guess....

Bristling with intelligence and

Get Free Up Jumps The Devil Michael Poore

shimmering with romance, this novel tests the boundary between history and myth. Patrick Lewis arrives in Toronto in the 1920s and earns his living searching for a vanished millionaire and tunneling beneath Lake Ontario. In the course of his adventures,

Get Free Up Jumps The Devil Michael Poore

Patrick's life intersects with those of characters who reappear in Ondaatje's Booker Prize-winning *The English Patient*. 256 pp.

Deborah Knott, an attorney attempting to infiltrate the old boy network of tobacco country

Get Free Up Jumps The Devil Michael Poore

by running for district judge, is distracted from the race, and almost eliminated from it, when she finds new evidence to an old small-town murder.

Robert Johnson is the subject of the most famous myth about the

Get Free Up Jumps The Devil Michael Poore

blues: he allegedly sold his soul at the crossroads in exchange for his incredible talent, and this deal led to his death at age 27. But the actual story of his life remains unknown save for a few inaccurate anecdotes. Up Jumped the Devil is the result of over 50

Get Free Up Jumps The Devil Michael Poore

years of research. Gayle Dean Wardlow has been interviewing people who knew Robert Johnson since the early 1960s, and he was the person who discovered Johnson's death certificate in 1967. Bruce Conforth began his study of Johnson's life and music

Get Free Up Jumps The Devil Michael Poore

in 1970 and made it his mission to fill in what was still unknown about him. In this definitive biography, the two authors relied on every interview, resource and document, most of it material no one has seen before. As a result, this book not only destroys every

Get Free Up Jumps The Devil Michael Poore

myth that ever surrounded Johnson, but also tells a human story of a real person. It is the first book about Johnson that documents his years in Memphis, details his trip to New York, uncovers where and when his wife Virginia died and the impact

Get Free Up Jumps The Devil Michael Poore

this had on him, fully portrays the other women Johnson was involved with, and tells exactly how and why he died and who gave him the poison that killed him. Up Jumped the Devil will astonish blues fans who thought they knew something about

Get Free Up Jumps The Devil Michael Poore

Johnson.

An alternate-history reimagining of the Faust legend from the Nebula Award-winning author of Stations of the Tide Taking as his canvas the classic tale of the temptation of Faust—made

Get Free Up Jumps The Devil Michael Poore

famous by such literary luminaries as Goethe, Marlowe, and Mann—author Michael Swanwick paints a fresh vision of the dangers posed by the pursuit of knowledge. Set in Old World Germany, this tale of science and damnation begins with the great

Get Free Up Jumps The Devil Michael Poore

scholar Dr. Johannes Faust
burning his books, having
concluded that all his knowledge
is nothing compared to the vast
sea of ignorance surrounding him.
Out of his despair, he
inadvertently summons the
tempter spirit, Mephistopheles,

Get Free Up Jumps The Devil Michael Poore

who is the projection of a dying alien race determined to make the destruction of humankind its final deed. Their weapon is knowledge—of science and technology, the mechanics of flight, the nature of the atom, and the secrets of economics. When,

Get Free Up Jumps The Devil Michael Poore

in an act of defiance, Faust nails the Periodic Table of the Elements to a church door in Wittenberg, he ushers in a golden age of prosperity for Germany that will make him the most powerful man in the world. But the love of the beautiful Margarete will be his

Get Free Up Jumps The Devil Michael Poore

downfall. What happens when the greed for knowledge and glory goes unchecked? Has a demon ever made a bad deal yet?

Nominated for the Hugo Award, the Locus Award, and the British Science Fiction Award, Jack Faust is a masterful retelling of legend

Get Free Up Jumps The Devil Michael Poore

by one of science fiction's finest craftsmen.

Traveling to Europe with her friends to marry Walter, author-turned-vampire Jane Austen is astonished when a husband from her past objects during the
