The story of Versailles is one of historical
drama, under the last three kings of
France's old regime, mixed with the high
camp and glamour of the European courts,
all in an iconic home for the French arts.
The palace itself has been radically altered
since 1789, and the court was long ago

Versailles is, par excellence, a VISUAL
experience, and a biography of the palace's
development should ideally be full of
visual information to accompany the text.
