After a string of dismal earnings and missed expectations last year, Tupperware (TUP) is reporting soaring profits fueled largely by demand from newly minted pandemic chefs.

Emphasizing the relevance of politics and government in everyday life, We the People provides tools to help students think critically about American government and politics. The Sixth Edition has been carefully updated to reflect most recent developments, including the ongoing conflict in Iraq and the 2006 midterm elections. Complemented by a rich package of multimedia tools for instructors and students, including a new video-clip DVD, We the People is now more pedagogically effective than ever.

Politics is relevant and participation matters.

Politics is relevant and participation matters--now more than ever

See the US Constitution in a new light with this bold, modern and accessible illustrated guide to the document that helped define democracy. With the 2020 Presidential election around the corner, there has never been a better time to take a closer look at the Constitution, the bedrock of US politics. Inquisitive minds will have their questions vividly answered – and new ones raised – by a mix of striking illustrations and clear, engaging text, including passages from the Constitution given in plain English. As well as a detailed history covering the original Constitution, the Bill of Rights and all Amendments, discover how this milestone in American democracy shapes and is shaped by the world at large. We The People shows that, far from a dusty old piece of paper, the US Constitution is a living, evolving rulebook that is as relevant today as it has ever been. A fresh take on a monumental document, navigating in style its history and its life today. Excerpts from the Constitution are presented here in plain English to help young thinkers better understand the role it plays in everyday life. Accessible, energetic text accompanied by contemporary, powerful illustrations allows children aged 10 and older to re-think the Constitution in a totally new way. A balanced examination that does not shy away from addressing the difficulties of interpreting and adapting the Constitution for the modern world. We The People takes the Constitution out of its display case, blows off the dust and re-imagines this piece of history for the next generation.

The U.S. Constitution brought to life for young readers! In this visual celebration of the U.S. Constitution and America's founding fathers, Caldecott Medalist Peter Spier tells the stirring American tale of how this most important document came to symbolize freedom, justice, equality, and hope for all citizens. This fact-filled volume includes: The complete text of the Constitution An illustrated preamble to the Constitution, illuminating its significance from its birth through to modern times The fascinating history of the struggle to create and ratify the Constitution An historical reproduction of the original document Full of illustrations that bring the Constitution to life, this is a must-have resource for every American school, library, and home. "A joyful celebration of the people whose leaders created the Constitution"—Booklist, starred review "A celebration of America 's diversity" —Kirkus "Spier has created a tribute that can be appreciated in more than one sitting." —Publishers Weekly

Written in a provocative, jargon-free style ideal for stimulating classroom discussion, America 's Failing Experiment directly challenges would-be reformers who believe the solution to our current political paralysis is more democracy. Kirby Goidel finds that the fault for our contemporary political dysfunction resides not with our elected officials but with our democratic citizenries. He argues that our elected officials are overly responsive to public opinion which is often poorly informed, incoherent, and uncertain. The result is a more polarized political system, rising inequality, and institutional gridlock. Though not new, these concerns take on deeper political significance in a digital age where information flows more quickly and opportunities for feedback are virtually unlimited. If the diagnosis is too much democracy, the counterintuitive solution runs against our cultural norms—less citizen involvement, greater discretion for political elites, and greater collective responsibility.

'In We the People, renown journalist, Fox political analyst, and bestselling author Juan Williams examines the lives of the men and women in the 20th century who have extended the Founding Fathers' original vision of the country and reshaped what America is'--
