What's Left of Me: (What's Left of Me #1) - Kindle edition ...

What's Left of Me is an achingly beautiful story about a young woman's struggle, not only to survive, but to overcome her fears. I don't even feel like a woman anymore. I look in the mirror, and all I see is this skinny, pale, empty, hairless body that has become unrecognizable. If everything that represents who I am is gone, then what's left of me.

What's Left of Me (What's Left of Me, #1) by Amanda Maxlyn

Kat Zhang's lushly imagined Whats Left of Me spins the tale of what happens when a recessive soul sharing one body with a dominant soul refuses to fade away, as they've been led to believe is inevitable. Anyone left with two souls in their single body is a hybrid dangerous, illegal, and swiftly dealt with by the government.

What's Left of Me (The Hybrid Chronicles, #1) by Kat Zhang

What's Left of Me is a novel by author Kat Zhang. The book is the first of a trilogy, The Hybrid Chronicles. Plot. The Hybrid Chronicles books are set in an alternate universe society in which at birth every body possesses two 'souls', or human

identities. One of these identities is supposed to fade away with age.

Follow/Fav Whatever is Left of Me. By: ViolaOphelia. When Edward returns to Bella, he does not realise that a few hours earlier she nearly drowned. He finds that the girl he came back to is very much altered from the girl he left behind, and that it takes more than saying sorry to rebuild their lives.

Whatever is Left of Me Chapter 1, a twilight fanfic ...

Parents need to know that What's Left of Me has an intriguing premise: a society in which children are born with two consciousnesses in one body. Unfortunately, the plot bogs down in a series of repetitive scenes. But there's no profanity, little sexual content, and only a small amount of violence.

Fans of Stephenie Meyer's *The Host* will enjoy *What's Left of Me*, Kat Zhang's shocking, thought-provoking, and emotionally charged story of two souls sharing one body. *What's Left of Me*, the first book of the *Hybrid Chronicles*, is set in an alternate reality where everyone is born with two souls. But one soul is naturally dominant, and in early childhood, the other soul fades away. That didn't happen for Addie and Eva. Now fifteen, Eva clings to life inside the body she shares with Addie, although she can no longer speak or even move. Addie does everything she can to hide the presence of her sister soul. Eva's very existence is illegal. If their secret is revealed, it could mean death for both of them.

"Each chapter of this enrapturing novel is elegantly brief and charged with barely contained emotion." --New York Times Book Review A gripping debut set in modern-day Tokyo and inspired by a true crime, for readers of *Everything I Never Told You* and *The Perfect Nanny*, *What's Left of Me Is Yours* charts a young woman's search

for the truth about her mother's life--and her murder. In Japan, a covert industry has grown up around the wakaresaseya (literally "breaker-upper"), a person hired by one spouse to seduce the other in order to gain the advantage in divorce proceedings. When Sat hires Kaitar, a wakaresaseya agent, to have an affair with his wife, Rina, both assume it will be an easy case. But Sat has never truly understood Rina or her desires and Kaitar's job is to do exactly that--until he does it too well. While Rina remains ignorant of the circumstances that brought them together, she and Kaitar fall in a desperate, singular love, setting in motion a series of violent acts that will forever haunt her daughter's life. In an engrossing dual narrative inspired by a true crime, Stephanie Scott exquisitely renders the affair and its intricate repercussions. As Rina's daughter, Sumiko, fills in the gaps of her mother's story and her own memory, Scott probes the thorny psychological and moral grounds of the actions we take in the name of love, asking where we draw the line between passion and possession.

"I absolutely fell in love with What's Left of Me by Amanda Maxlyn. With an uncanny ability to weave an intensely emotional story into a sexy romance, Maxlyn is a debut author you do not want to miss." - AL Jackson, NYT and USA Today Best Selling Author Life works in mysterious ways. Four years ago I became known as the girl with cancer. I refuse to cry. And I refuse to give in. A relationship with a man is the last thing I'm looking for right now, but one night with Parker changes everything. He is persistent, and he knows what he wants. Me. He doesn't treat me like I'm fragile. But he doesn't know, and I'm not ready to tell him. What if it changes everything? Tragedy found me when I was seventeen. Love found me when I was twenty-one. My name is Aundrea McCall, and this is my journey.

A contemporary romance about courage, loss, and moving on. Callie Kingston's life as an Orange County housewife isn't as perfect as it seems. Her husband isn't the same man she fell in love with nine years ago, and her home is no longer her safe haven. But she's determined to keep up appearances, especially when it comes to concealing the bruises her husband's temper leaves behind. Until Cole Luciano moves into her best friend's house across the street. He's abrasive and rude, but his steel-blue eyes tell a different story--one with dark secrets that has Callie curious. After suffering through an unspeakable tragedy, Cole settles into his sister's pool house until he can get back on his feet. He's convinced that he deserves to live with the guilt he harbors from his past, and wants nothing more than to be left alone. Yet he can't seem to stay away from his beautiful neighbor. He sees right through Callie's carefully orchestrated lies and is desperate to help her. Callie discovers more than an angry and bitter man underneath Cole's hard exterior. But when Callie finally finds the courage to create a new life for herself, Cole isn't sure if there's enough of his heart left to give in order to be the man she deserves. Can two broken souls heal each other, or are some just too damaged to be put back together? This book contains some graphic scenes and very sensitive subject matter.

In the second novel in the Hybrid Chronicles—perfect for fans of Ally Condie, Lauren Oliver, and Scott Westerfeld—Eva and Addie struggle to share their body as they clash over romance and the fight for hybrid freedom. Addie and Eva escaped imprisonment at a horrific psychiatric hospital. Now they should be safe, living among an underground hybrid movement. But safety is starting to feel constricting. Faced with the possibility of being in hiding forever, the girls are eager to help bring about

change—now. The answer seems to lie in a splinter group willing to go to extremes for hybrid freedom, but as Addie and Eva fall ever deeper into their plans, what they thought was the solution to their problems might just be the thing that destroys everything—including their bond to each other.

When Jana returns from a missions trip, she discovers that her pastor husband has left with his secretary...along with their bank account. Humiliated, penniless, pregnant, and very much alone, Jana reluctantly turns to her mother, Eleanor, in desperation. Eleanor is haunted by her own guilt and pain, and the arrival of her daughter only serves as a daily reminder of the memories she has long kept hidden away. Will a delightfully eccentric aunt become a catalyst between these two women? Will they allow God's spirit--and God's people--to bring true healing...and a future filled with love?

If I Stay meets While You Were Sleeping in this beautiful and heartbreaking novel told in dual perspectives about friendship, family, and all the other threads that bind us together. Martin and Petra meet for the first time at graduation, and though they've shared the halls of their high school for four years without crossing paths, there's an instant connection the moment they're seated next to each other at the commencement ceremony. Then a car accident puts Martin into a coma; and Petra is somehow left picking up the pieces, using friends, family, and shared dreams to keep their surprise connection going. Together they must unlock the truth of his situation, and with time running out, their bond becomes Martin's best shot at waking back up to the life he's left behind.

In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

"This book will make you cry, think, and then cry some more." —Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* From the New York Times bestselling author of *More Happy Than Not* comes an explosive examination of grief,

mental illness, and the devastating consequences of refusing to let go of the past. When Griffin ' s first love and ex-boyfriend, Theo, dies in a drowning accident, his universe implodes. Even though Theo had moved to California for college and started seeing Jackson, Griffin never doubted Theo would come back to him when the time was right. But now, the future he ' s been imagining for himself has gone far off course. To make things worse, the only person who truly understands his heartache is Jackson. But no matter how much they open up to each other, Griffin ' s downward spiral continues. He ' s losing himself in his obsessive compulsions and destructive choices, and the secrets he ' s been keeping are tearing him apart. If Griffin is ever to rebuild his future, he must first confront his history, every last heartbreaking piece in the puzzle of his life.
