Winter World Bernd Heinrich

Though 'Winter World' is ostensibly about various interesting physiological mechanisms that allow the creatures - particularly the ones outside of Heinrich's Western Maine cabin or on his Burlington office at UVM - to

Download Free Winter World

survive winter, it seemed to be just as much about the process of scientific discovery in its rawest form: 1) author wonders about something he notices, 2) author thinks about how he could find an answer, 3) author's method comes up short, 4) author repeats steps 2 and 4

physiology and behavior, as well as bird behavior.

Bernd Heinrich - Wikipedia

Emily did note that Heinrich may not be as passionate about his most recent books as what he was writing in Winter World. The science in Winter World was

Download Free Winter World

gathered over years of romping around his cabin, often with students like Emily herself in tow. Some newer books tend to focus more on far-away places, and other people's research instead of his own observations.
