In this volume, which contains six suites and seven supplementary pieces for intermediate to advanced level pianists, Judith Schneider has provided detailed biographical and historical information about the pieces, as well as suggestions to achieve a proper interpretation of these works. Bach's table of ornaments is also discussed. This volume beautifully prepares students to perform Bach's more advanced English Suites.

Op. 105 is a delightful collection of 'melodious and brilliant' character studies reminiscent of Mendelssohn's Songs without Words. Although written to develop the flexibility of the hands, they also display beautiful lyric qualities. The pieces may be used as a sequel to Burgmüller's 18 Characteristic Studies, Op. 109.

(Educational Piano Library). Piano Practice Games presents imaginative ways to introduce pieces in Piano Lessons by coordinating technique, concepts, and creativity with the actual music in the Piano Lessons books. These preparation activities help focus learning by 'playing with' each lesson piece aurally, visually, and physically. Whether used in individual or group lessons, Piano Practice Games are all designed to make music. Many activities include accompaniments that can be added by the teacher or by using the CD or GM disk from the corresponding Piano Lessons book.

The perfect introduction to the electronic keyboard, and ideal for the absolute beginner getting started with their first instrument. With absolutely no musical knowledge required, this simple yet comprehensive guide is perfect for adults and children alike.
