From bestselling author and Shark Tank star Robert Herjavec comes a business book in which he transcends the business world, helping us all learn the art of persuasion in order to get ahead in our personal and professional lives. A Wall Street Journal Bestseller! Many people assume that effective sales ability demands a unique personality and an aggressive attitude. It's not true, and Robert Herjavec is proof. Known as the "Nice Shark" on the ABC's Emmy Award-winning hit show SHARK TANK, Robert Herjavec is loved by viewers, who respond to his affable nature. He has developed an honest and genuine approach to life and selling that has set him apart from his cut-throat colleagues, and rewarded him with a degree of wealth measured in hundreds of millions of dollars. In *You Don't Have to Be a Shark*, Robert transcends pure sales technique and teaches "non-business people" what they need to know in order to sell themselves successfully. We are each our own greatest asset, and in order to achieve our goals, we need to be able to communicate with others, position ourselves and even look the part. Robert's philosophy is simple: Great salespeople are made, not born, and no one achieves success in life without knowing how to sell. Entertaining, enlightening and effective, *You Don't Have to Be a Shark* will reveal the secrets of one of North America's most successful businessmen, who also happens to be one of today's most prominent TV personalities, delivered in a friendly, down-to-earth manner, and filled with anecdotes and observations to support its hard-nosed advice.

love yourself for who you are, embrace your flaws, and unlock your true potential. Winner of the African American Literary Award for Memoir! Now cohost of Fox's *The Real* and SiriusXM's *Café Mocha*, Loni Love hasn't taken the typical path to becoming America's favorite straight-talking girlfriend and comedian. She was not the child of Hollywood legends and she never wore a size 00. Rather, she grew up in housing projects in Detroit, more worried about affording her next meal than going on a diet. When she moved to Hollywood after graduating college with an engineering degree, seeking to break out in the entertainment world, there was nothing that would convince her to eat the kale salads and quinoa bowls that her colleagues introduced her to, which looked to Love like "weeds my grandma used to pay me a dollar to pull from her yard." Still, despite the differences that set her apart in the status-driven world of entertainment where being thin, young, blond, and bubbly is sometimes considered a talent, Love spent years trying to fit in—trying to style her hair just so, dieting, dating the men she thought she was supposed to be with. In this book, she tells the uproariously funny story of how she overcame the trap of self-improvement and instead learned to embrace who she was. As Love writes, "There's a saying a lot of people live by: 'Fake it till you make it.' For me, it's always been 'fake it, and then have the whole thing blow up in your face.'" *I Tried to Change So You Don't Have To* explores all of the embarrassing mistakes, terrifying challenges, and unexpected breakthroughs that taught her how, by committing ourselves to our own path, we can take control of our destiny.

The author and humorist Sam Levenson is quoted hundreds of times each day on Twitter, and his sayings appear on everything from t-shirts to inspirational signs. To read through and savor *You Don't Have To Be In Who's Who To Know What's What* is to discover much of the source material for his timeless wisdom. It is a treasure trove of topics ranging from family ("Insanity is hereditary; you can get it from your children") to perseverance ("Don't watch the clock; do what it does. Keep going.") Levenson's upbringing was as the youngest of eight children in a large Jewish immigrant family in New York. He evolved from a Spanish teacher in Brooklyn to working the Catskills circuit as a comedian and by the 1950s was a fixture in American homes as television personality, appearing and guest hosting numerous times on classic shows like *This Is Show Business*, *Two For The Money*, and *The Ed Sullivan Show*. For several years, he hosted his own variety show on CBS called *The Sam Levenson Show*, where the set doubled as a school classroom and the guests often evoked Levenson's love of learning, teaching, and family. These experiences informed his lessons about life, family and careers, and make this definitive collection of his views and sayings so timeless.
